OEL-912/65

9 July 1965

	MEMORANDUM FOR: SUBJECT:	Deputy Assistant Director/Intercept Operations Telemetry Receiver Evaluation
	REFERENCE:	OEL-763/65 dated 15 June 1965
25X1A	for an evaluation of a possible application to C/GSD contacted the creceiver here at Head that had	ecommended that arrangements be made receiver for Agency and Third Party SIGINT stations. company to arrange for a briefing on the quarters. He was informed by 25X1/2 independently contacted him and had requested aft with the Agency for evaluation.
25X1A	2. The receiver itself was not actually built and checked out, and hoped that it would be finished in time to make a tentative date of 8 July at 1000 for the briefing.	
	the outside world if wo ther in this way, and	e Agency may appear to look a bit absurd to e allow ourselves to stumble all over each you might like to take steps to see that remains clear.
	the outside world if w	e allow ourselves to stumble all over each you might like to take steps to see that
